

IN-HOUSE INSPECTION SERVICE

Approval of In-house Inspection Service according to Swedish Civil Contingencies Agency's regulation MSBFS 2011:3 (2010/35/EU) and ADR 1.8.7.7 "Surveillance of the applicant's In-house inspection service".

CERTIFICATE NO.: S-25-1029076-100, Rev. 02

This Certificate consists of two (2) pages

KIWA SWEDEN AB

hereby approve that the Manufacturer

SCG (Thailand) Co. Ltd

**99 Moo 20, Tambol Lumlookka, Amphur Lumlookka
Patumthani 12150
Thailand**

for pressure equipment assessed under

EU Type-Examination certificates No: **S-25-1029076-101** and **S-25-1029076-102** (last revision level),
have the right to perform In-house inspection service according to the attached specification regarding product types and
associated audits according to MSBFS 2011:3 (2010/35/EU) and ADR 1.8.7.7 and RID at the following production facilities:

SCG (Thailand) Co. Ltd

**99 Moo 20, Tambol Lumlookka, Amphur Lumlookka
Patumthani 12150
Thailand**

The following equipment/products are concerned:

Design, manufacturing, testing and selling LPG and industrial high pressure gas cylinder valves.

For approval, the following conditions apply:

- The arrangement of the in-house inspection service and documentation, cannot be altered with respect to the documents that have been a basis for the application, without written approval from Kiwa Sweden AB.
- Periodic quality monitoring shall be performed by Kiwa Sweden AB twice a year.

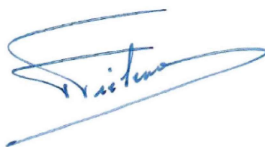

This certificate is valid until: **19th May 2028**

Under the condition that above given terms are fulfilled and that the regulations in MSBFS 2011:3 (2010/35/EU) have been taken into account and that the regulations in the same are not changed. The manufacturer is allowed to affix the "π" mark followed by the Notified Body number 0409 (Kiwa Sweden AB) to the approved equipment described in the chapter 3 of the TPED Directive (2010/35/EU).

STOCKHOLM, 2026-05-18

Kiwa Sweden AB

Notified Body No.: 0409
